WHY WAIT?

Mess lots are cheaper today than they ever will be again. This coming spring will witness more improvements, more development, more building and more frading in mess left than in any other section of the sity. Go up and look what a change the new \$560.000 high whool is bringing about. Investigate for yourself and you will see this is El Paso's last and only close in residence section.

We have level lots near car line from \$500 to \$500 that will very shortly cost \$5 percent more. Consider this seriously and make an appointment. We will gladly show you.
